MEMORANDUM FOR THE RECORD

SUBJECT: HSC Hearing on "Personnel" Scheduled
for 6 November

From Emily Sheketoff, the following fragments
were gleaned:

No Agenda is set up as yet, and no witnesses
are certain. Three subjects are tentatively to be
included, in a hearing which they hope to be open:

Detailees

STATINTL [] is probable witness, as he can talk
about being a detailee as well as police training

Media

The Director may be asked to describe current
and past Agency policy toward use of media
assets

Counterintelligence

STATINTL [] might be called.

It was pointed out to Ms. Sheketoff that to
discuss a subject such as CI, a closed hearing would
be mandatory.
